

EZ-TRANS™ Low Floor

EZ Access with a Price That's EZ on Your Budget

**Shown with Optional Equipment*

EZ-TRANS™ Bus Key Features & Benefits

- Easy access with a low floor height of 11" after engaging the kneeling feature.
- Innovative rear wheel drive platform.
- ADA wheelchair ramp flips out for easy and rapid loading of physically challenged passengers.
- Built with GCA's exclusive "Steelgard" all steel inner cage structure for superior durability.
- Available on the International 3200 Mobility Chassis for rugged service.
- Air suspension for a smooth ride.

When it comes to moving people, nothing does it better than EZ-TRANS™.

Transit, paratransit, and shuttle operators will love the affordable EZ-TRANS™ for its easy passenger loading, rugged durability and smooth ride.
